ANTHONY GRANSTON

Kirkland Heights, Kingston, Jamaica • (876) 348-4406 • granstonanthony7@gmail.com

SUMMARY

A determined customer service agent and providing technical support individual with hands-on experience in help-desk troubleshooting, basic system administration, and networking (LAN/WAN, Wi-Fi, Cisco switches, Cat5 cabling). Currently pursuing a B.Sc. in Computer Science, building full-stack development skills in JavaScript, HTML/CSS, with a goal of creating web and mobile applications that solve real-world problems. Reliable, detail-oriented, and comfortable working directly with people — bringing a customer-first mindset alongside a growing technical foundation to a fast-paced organization.

SKILLS

Frontend Development • Technical Support • Foundational Computer Networking • Problem-Solving • Multitasking & Time Management • Database Administration • Team Collaboration

EXPERIENCE

Clerical Assistant/Front Desk Support - Northern Caribbean University *Jun 2025 – Sep 2026*
